I decided to change my pharmacy to Bairds to motivate me to take more steps instead of driving, and I must say I am delighted that I did. The pharmacy is immaculate, with a wide selection of products at reasonable prices including over-the-counter items, first aid supplies, personal care products, and so on. The team is consistently friendly and welcoming; my visit today was one of the most pleasant interactions I've had in a while. I firmly believe in acknowledging exceptional service when it is provided! Thank you.
