One of the standout features of Dickies Pharmacy is its commitment to

accessibility. The pharmacy boasts a **wheelchair-accessible entrance** and a **wheelchair-accessible car park**, ensuring that all customers can easily visit without barriers. This inclusivity extends to being a **LGBTQ+ friendly** establishment, creating a welcoming environment for everyone.

Payment Flexibility

Customers can feel secure knowing that Dickies Pharmacy accepts a range of payment methods, including **credit cards** and **debit cards**. The availability of **NFC mobile payments** also enhances the shopping experience, allowing for quick and convenient transactions.

In-Store Experience

The pharmacy's layout is conducive to **in-store shopping**, and despite occasional crowding, many customers have noted that the service remains efficient. Feedback indicates that the current team, particularly Pharmacist Tom, has significantly improved the atmosphere. One customer mentioned, "Tom went out of his way to explain & reassure my very nervous partner," highlighting the staff's dedication to customer care.

However, experiences vary, with some noting they encountered less satisfactory service in the past. For instance, one individual reported mixed experiences due to previous staff not engaging warmly, creating a somewhat negative environment. That said, many patrons now appreciate the friendly demeanor of the current team, praising their ability to maintain excellent service under pressure.

Customer Feedback

The feedback from the community illustrates a varied experience. Many customers laud the responsiveness of the staff, stating, "They responded quickly and gave suggestions about my query." Others have praised the pharmacy's efficiency with statements like, "Very quick service and very helpful," reflecting a dedication to quality customer service.

Nevertheless, there are concerns regarding prescription management, as highlighted by an unfortunate incident where a lost prescription caused distress. Customers urge the pharmacy to enhance their tracking systems to avoid such issues in the future.

A Safe Space for All

Importantly, Dickies Pharmacy aims to be a **transgender safe space**, ensuring that all customers feel comfortable and respected during their visits. This commitment to creating a positive atmosphere is crucial for fostering trust within

the community.
